CARTE POSTALE

By Appointment

Micklegate Bar is one of the most important of the four "bars" which are such a prominent feature of York city walls. It spans the London Road, and consists of a plain round arch surmounted by a massive square tower with battlemented bartizan turrets. On this bar were formerly exhibited the heads of traitors, the list having included Llewellyn and the Duke of York, father of Edward IV.

Dear Mm Green
Just a post card hoping you enjoyed your holiday
This is one of our old
buildings there in York
We are spending a week
at the seaside
I'm afraid a thunderstorm
has been we so oh do Wednesday
but afterwards to London
Lex asks me send remember
us to you all. Hope you
get. then regards from
Nellie
